To all of my coworkers and company management,

After many weeks of thinking about it, I have finally decided to retire from Beats Corporation effective October 15, 2014. This was not an easy decision, but my wife and I felt that now was the right time for me to move on to the next stage of my life and take the time to enjoy my family.

With a very heavy heart, I wish all of you farewell and Godspeed. I have made many friends here at Beats and I am hoping to remain in contact with all of you. I am hoping to retain my position in the company golf league and I have made myself available to management as a consultant if needed.

These last 30 years have been a wonderful experience for myself and my wife. We cannot thank you enough for your friendship and your support. I want to thank the company for the opportunity to have a rewarding and fulfilling career.

If you would like to contact me, you can call me at 555-323-4322 or reach me by email at gharris@email.com. Your messages and conversation will always be welcome.

Sincerely Yours,

George T. Harris
